## Subject: New Compressor for CU0515

The compressor used in CU0515 has been changed from a Cubigel to an **Embraco**. The new part numbers are:

F670105-01 Compressor - includes starting components.  
12-3069-01 Start relay  
12-3070-01 Start capacitor  
12-3071-01 Overload

The change began with serial number 11111330010259.

If a start capacitor or relay is needed on a CU0515, the brand of compressor must be identified and the correct parts ordered, either for Embraco or Cubigel. Embraco parts are listed above.

### **Cubigel parts:**

F620167-56 Start capacitor  
F060712-00 Relay and overload kit
