

N0922 - 900lb Nugget Ice Machine

Prodigy Plus® Nugget Ice Machine

Superior performance with every cup.

Now the soft, chewable nugget ice that customers love is available with more innovative technology than ever before. With next-generation diagnostics like AutoAlert™ indicator lights on the new Scotsman Prodigy Plus® nugget ice machines, operators can help ensure superior performance while enjoying maximum efficiency – every day. And with features like advanced ice level control, a small operational footprint and easy-access service from the front panel, Prodigy Plus® nugget ice machines are the smart choice for today's busy food-service

The Prodigy Plus® difference. • The Original Chewable Ice®

- AutoAlert[™] indicator lights for better visibility
- Operational footprint among the industry's smallest
- Industry-exclusive QR code instantly connects users to service information and warranty history
- Front-located air filter for more efficient operation
- Self-aligning front panel for easy access to key components
- Smart-Board™ advanced feature module available for additional diagnostic capabilities
- Optional Vari-Smart[™] ice level control allows operators to customize ice levels
- Antimicrobial protection guards internal surfaces between cleanings
- A full range of water- and energy-saving features
