OPTIONS:

KDE1A: Drain Extension Kit (6"). KDE1ASS: Stainless Steel Drain Extension Kit (6"). SPKTDE470: Stainless Steel Panel Kit. Not factory installed. KWB1: Wall mounting kit.

Scotsman's ice machines are not designed for outdoor installations. Scotsman remote condensers are designed for outdoor installations.

Machine requires voltage indicated on rating name plate. Failures caused by improper voltage are not considered factory defects. Extended periods of operation at temperatures exceeding limitations constitutes misuse under the terms of Scotsman Manufacturer's Limited Warranty, resulting in a loss of warranty coverage. Specifications and design are subject to change without notice.
