

ENERGY STAR® INFORMATION FOR SCOTSMAN MODELS

Scotsman is proud to offer a wide range of ENERGY STAR® qualified products. With a long-standing commitment to sustainability, Scotsman continues to advance its engineering and innovation to help reduce energy and water consumption without sacrificing performance.

Select Scotsman models use R290 refrigerant, offering minimal environmental impact with efficient, compliant performance.

R290 models are identified by an X before the hyphen.

Scotsman models are designed and manufactured in the U.S., using quality materials and focusing on functionality and ongoing support.
