Subject: Change to CU0515 Cleaning Reminder and Condenser Sensor

The cleaning reminder control, part number F620496-00 is no longer available.

All orders for it will cross reference to **F060711-32**, which is a kit that includes a new enclosure and new condenser temperature sensor to replace the original parts.

F620404-11 Condenser Sensor will remain available. It has a black plug.

The new condenser sensor to fit the new control is part number **F620519-00**, its plug is white

The condenser sensors are not interchangeable.
