

SERVICE BULLETIN

Subject: CME1856 and CME2006 Float Stem Color Change

The color of part number **02-3383-06** has been changed from **Red** to **Black**.

There are 2 existing black float stems, used on SCE275 and CME810. They must not be mixed up. The part numbers are molded onto the side of the part and they are physically different.

CME810 float stem has a loop top.

SCE275 float stem has a flat top.

CME1856/CME2006 has a flat top and side tabs.
