

SERVICE BULLETIN

Subject: NME and FME Controller

The controller used on NME and FME models has been changed. The new controller is part number **12-2835-22**. The service controller's box will be marked Rev E.

No features have changed and it is completely interchangeable with the 12-2835-21 controller.

The kit to use this controller in an older model has also had a part number change. The new part number is A37750-022.
