

NU130 – 130 lb Nugget Ice Machine

Self-Contained Under Counter Nugget with Storage

PRELIMINARY

Features

Scotsman Nugget Ice® is The Original Chewable Ice™. It is made from bits of compacted ice that are soft, chewable and absorb the flavor of the beverage. Ice chewing fanatics love nugget ice, invented by Scotsman in 1981.

Produces up to 125 lb. of nugget ice in 24 hours and stores up to 22 lb. of ice.

Sustainable and environmentally friendly, using up to 40% less energy and 50% less water than standard cube ice machines.

Front air flow 15" cabinet width for placement in tight locations or free standing.

User-friendly control panel informs whether in ice making mode, alerts a no-water condition, and a time to clean reminder.

Complies with California Lead Free Law, AB1953, which improves the health & safety to safeguard drinking water. This law will become Federal law in 2014.

Offered with built-in drain pump, allowing for installation flexibility and minimized installation costs.

Approved for outdoor applications

Reversible swing door.

Designed for commercial applications;

- hospitality suites
- offices & break rooms
- pantries
- kiosks
- boutique hotels
- luxury hotel suites
- spas
