SLD150
with SLE300
Cuber

This product qualifies for the following listings:

SCOTSMAN®
Ice Systems The World Relies On.™

ITEM NO.

SLD150

Now you can put ice where you never could before because of limited floor space. At the same time, you can gain all the benefits and service support of Scotsman.

The ice machine models that accompany the SLD150 represent Scotsman's commitment to R-404A Refrigerant (DuPont SUVA® HP62) as the sensible, permanent solution to the refrigerant issue.

DESIGNED FOR HOTELS, MOTELS AND OTHER SELF-SERVICE APPLICATIONS

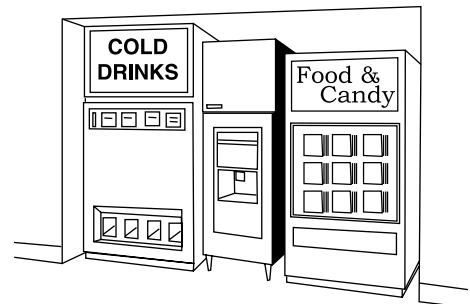

- Fits easily into corridor alcoves.
- Only 22" wide cabinet.
- Modular design provides compatibility with Scotsman modular ice makers SLE300 and SLE400.
- Ice maker capacities from 290 to 400 pounds.
- Produces crystal clear cube ice for better drink quality. Fills glass easier.
- Cabinet is constructed of stainless steel.
- Quiet dispensing mechanism.
- Corrosive free bin.
- Smooth, easy to clean front panel.
- Small opening that permits buckets. Guards against waste and excess usage.
- Dispensing mechanism leaves no cubes in corners of bin.
- Foam insulation preserves ice supply for long periods, and reduces sound of falling cubes.
- Sanitary, closed bin with limited access means clean ice for guest use.
- Flexible options - coin or key.

WARRANTY PROTECTION

See your dealer for complete warranty details.

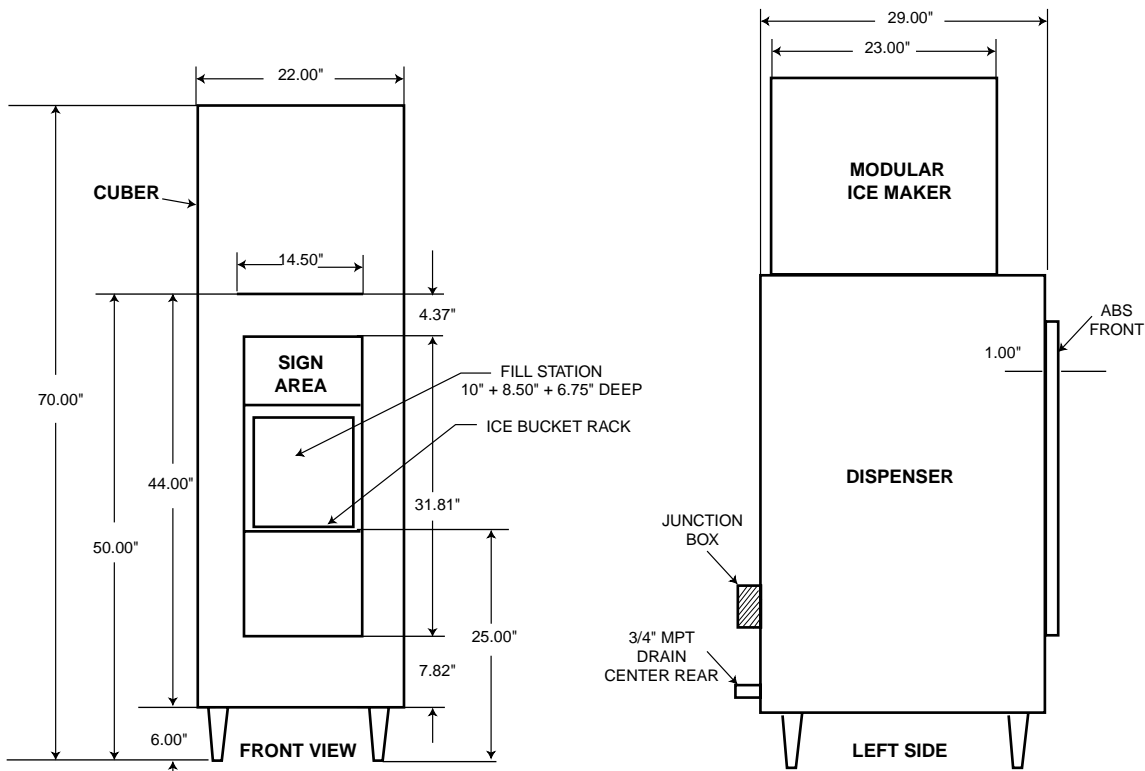

Cubers and Hotel Dispensers

- 3 years parts.
- 3 years labor.
- 5 years parts and labor on evaporator.
- 5 years parts on compressor and condenser.

IMPORTANT OPERATING REQUIREMENTS:

Machine requires voltage indicated on rating name plate.

Failures caused by improper voltage are not considered factory defects.

Scotsman products are not designed for outdoor installations nor for installation where air temperatures fall below 50° F, or exceed 100° F; nor where water temperatures fall below 40° F, or exceed 90° F. Extended periods of operation at temperatures exceeding these limitations constitutes misuse under the terms of Scotsman Manufacturer's Limited Warranty, resulting in a loss of warranty coverage.

We reserve the right to make product improvements at any time. Specifications and design are subject to change without notice. Scotsman ice systems include a full line of ice shapes, modular and self-storing cubers, flakers, drink dispensers, bins and accessories.
